SUBJECT: Reclamation Activities Plan(RAP) for 1990

Dear Mr. Hedberg

As was indicated in our Annual Report submitted February 2, 1990, we have created a separate document illustrating our intended reclamation/revegetation projects for the coming year. This will meet the requirements of No. 6 of the Annual Report in addition to item No. 6 of the original Reclamation Contract.

Please contact me or Bart Kale of my staff if you have any questions on the attached information.

Very truly,

Michael H. Gibson  
Director, Environmental Affairs
